Availability of Funds

The City of Burlington is soliciting applications from community organizations and city departments for funding through its Community Development Block Grant program. Funding will be targeted to the priorities identified in the current Notice of Funding Availability and the City's 2013 Consolidated Plan for Housing & Community Development, available online at www.burlingtonvt.gov/cedo. Non-CEDO initiated project proposals will be reviewed and scored competitively in this process.

Application packets for funding may be requested from the Community and Economic Development Office (CEDO) at cedofd@burlingtonvt.gov. The deadline for submission of applications is Thursday, January 14, 2016 at 4 p.m.

Funding is expected to be available on July 1, 2016; however, at this time it is uncertain how much CDBG funding will be available.

An informational workshop for applicants is scheduled for Thursday, December 3, 2015 at 12:30. For further information, please contact Marcy Esbjerg at 865-7171.
